

Fresh

The next generation of aptitude assessments...

Saville Consulting has an entirely new range of 21st Century aptitude tests.

- **40% shorter**
- Up to date, **work relevant** content
- **Insightful** feedback, sub scores giving **richer information**
- **Test taking style**, speed, accuracy and caution, so **improving job relevance**
- Excellent **validity** and **reliability**
- **Innovative** outputs
- **Online** and **hard copy** parallel versions

Transforming assessment, these tests address cheating on the internet with the flexibility of many secure versions.

Immediate access for BPS Level A trained users
